This California Consumer Privacy Act disclosure page ("Disclosures") supplements the [Fotona Data Privacy Policy](#) and is effective as of January 1, 2021. The [Fotona Data Privacy Policy](#) describes the personal information that we collect, the sources from which we collect it, the purposes for which we use it, the limited circumstances under which we share personal information, and with whom we share it. These additional disclosures are required by the California Consumer Privacy Act:

- Categories of personal information collected.** The personal information that Fotona collects or has collected from consumers in the twelve months prior to the effective date of this Disclosure, fall into the following categories established by the California Consumer Privacy Act.
  - identifiers such as your name, alias, address, phone numbers, or IP address.
  - personal information, such as a credit card number.
  - age, gender, or other protected classifications.
  - commercial information, such as purchase activity/history.
  - professional information, for example data you may provide about your business.
- Categories of personal information disclosed for a business purpose.** The personal information that Fotona discloses to the third parties identified in the **Disclosure of data to third parties** section of the [Fotona Data Privacy Policy](#) about consumers for business purposes in the twelve months prior to the effective date of this disclosure fall into the following categories established by the California Consumer Privacy Act.
  - identifiers such as your name, address, phone numbers, or IP address, for example if we use a third-party contractor to service your laser.
  - personal information, such as a credit card number, for example if we use a third-party payment processor.
  - commercial information, such as the details of a product or service you purchased if a third-party service provider is assisting to provide that product or service to you.
  - internet or other electronic network activity information, such as if we use a service provider to help us gather crash reports for analyzing the health of our devices and services.
  - audio or visual information, for example if a service provider reviews recordings of customer service phone calls for quality assurance purposes.
- Right to Request Access to or Deletion of Personal Information:** You may have the right under the California Consumer Privacy Act to request information about the collection of your personal information by Fotona, or access to or deletion of your personal information. If you wish to do any of these things, please contact [customerservice@fotona.org](mailto:customerservice@fotona.org) or call 972-598-9000. Depending on your data privacy choices, certain services may be limited or unavailable.
- No sale of personal information.** In the twelve months prior to the effective date of this Disclosure, Fotona has not sold any personal information of consumers, as those terms are defined under the California Consumer Privacy Act.
- No Discrimination.** Fotona will not discriminate against any consumer for exercising their rights under the California Consumer Privacy Act.
